## FOREWORD

In view of the great sacrifices being made at this time by our fellow Americans all over the world, any curtailments we have had to make in this, our annual publication, seem slight. The KRABBA has been planned and compiled to give a glimpse of Hampton High School students in their classes and in extra-curricular activities, and it is the sincere hope of the members of the staff that in the future this book will be a treasured reminder of days spent at our "Alma Mater".

## *Dedication*

With pride and respect, the Staff of the 1944 KRABBA dedicates this book to Miss Mabel Spratley. In her years at Hampton High School, Miss Spratley has shown unfailing understanding to the student body, and her kindness and courtesy have endeared her to all. At this time the staff would also like to express its appreciation for her great service in the school War Bond drives.

## CLASS HISTORY

— 1944 —

*By JANE MOORE*

SEPTEMBER 5, 1940 It's the beginning of a new decade and a new life. We, the mighty leaders of grammar school, become lowly "rookies" in that famed institution, high school! After the somewhat embarrassing initiation, we join the degraded ranks of freshmen resembling our ancestors of yore—the wild American Indians! Of course, red and white are the predominating colors.

Under the heartless stare of upper-classmen, we timidly take our places among seasoned veterans. After several weeks of utter confusion, we "get the hang of things", and begin to feel not quite so insignificant. The football season adds prestige to our now distinguished statures of being high school students. On Thanksgiving Day there is the usual Hampton vs. Newport News game. We are rough 'n' ready and rarin' to go, and hold the Typhooners to a 0-0 tie.

After so-o-o long, the hopefully awaited Christmas holidays become a reality. After a week of fun-making, we resume our burden, elect officers, and struggle on to June.

SEPTEMBER 7, 1941 We're up one more rung of the ladder of knowledge. We carry ourselves with a bit more dignity for at least the freshmen must look up to us—at last! Once more the football season comes and goes and with it the glorious event of the year, the Hampton-Newport News gridiron gala. After a rootin' tootin' battle, the game ends this year as last, a 0-0 stalemate. Another highlight of the football season is an upset in the form of Glass High School of Lynchburg. Ah, did our team go places! We, the under-dogs, defeated the Senators 20-6. This gave our team a bit of publicity and made us just a wee bit favored over the Typhooners.

Our basketball season was rather rugged. H. H. S. won only 5 out of 11 games, but there were "oodles" of thrills, nevertheless.

December 7, 1941 marks a startling change in our lives. War comes crashing headlong into our serenity. Although our hearts are low, our chins are high as we enter smilingly into the Yuletide season. The New Year finds us once more engrossed in readin', writin', and 'rithmetic. Richard Imus is elected the esteemed leader of our Sophomore group.

After a serious epidemic of "spring fever", we finally get a well-deserved recuperation period.

SEPTEMBER 10, 1942 Radical changes have been made in our Junior class, for something has definitely been added. Newcomers from George Wythe and Phoebe

Junior High Schools make a well-rounded class. Thus we enter into a record-breaking, history-making year. There are thrills, thrills, and more thrills! AND what a football team!! Our super-duper eleven wins the Class A State Championship and trounces ol' Newport News to boot. The underclass girls gaze rapturously with heartfelt adoration at the "hunks o' men" who comprise the glorified team. The sentiment, "What a man!" is frequently expressed in regard to the "pigskin shovers".

We sail smoothly (?) through mid-term examinations and on to spring. A capable group of officers are elected in the persons of George Field as President; Jackie Watson, Vice-President; Anne Page Violette, Secretary; and Charlie Powell, Treasurer.

June brings the eventful Junior-Senior Prom. This, being our first real participation, is taken to heart. There prevails a repressed sadness, however, for we must bid adieu to our school-mates, who leave to make their places in the world. Soon we must follow in their footsteps.

SEPTEMBER 9, 1943 At last! We have reached the top of the ladder and are seasoned veterans. Our class constitutes the executive power of Hampton High School. It's been a hard struggle, but we made it. Looking back upon the last four years, we admit that it's been fun and an experience not to be missed for the world. Despite the grumbling and the harsh words hurled against the teachers, high school has been quite a frolic. Only the teachers have really had to suffer.

The male situation this year isn't quite so promising. Uncle Sam seems to have the "cream of the crop". Oh well, the football season was fun anyhow. That frequently versed statement, "What a man!" is at present uttered in slight variation. Now it's "What, a man?" Nevertheless, we are proud of our fellow comrades in the service of our country. They are fighting for just such things as our high schools and the pleasures we derive from them, as well as for the education we receive, and the right we have to establish ourselves as upright American citizens.

An extra long Christmas holiday gives us that well-earned and needed rest. Then back to school we go, and "graduation agitation" is in full swing. Politics are once more at hand. This year successful campaigns result in Bill Grimsley as President; Jean Anderson as Vice-President; and Anne Page Violette as Secretary-Treasurer. Time is flying by and we reach out to grasp fervently what little time is left at good ol' H. H. S. We have achieved the goal we have worked for only to relinquish it too soon. We hardly have time to enjoy the full benefit of being mighty Seniors.

Some of us make preparation for our leave-taking sorrowfully, others are looking forward to the long vacation (?) ahead. After all, eleven years of school is a long time. Yet always in a special niche of our hearts will be a very special feeling for our alma mater, Hampton High School.

# CLASS PROPHECY

Flash !! Flash !!

This is M. C. A. bringing to you a world of news about the news of the world from station H. H. S. You hear this news, not as gossip, but as it is actually taking place in the year 1954 at Hampton, Virginia.

Billy Robertson, Troy Letchworth, and Henry Reid are starring this week at the popular Rex Theater in the Cogan & Goodman play called "Freemen of the Law-less Country."

Jimmy Crenshaw, Robert Coleman, and Carl Copeland were appointed to become students at the F. B. I. school by Chief William Eareckson.

Chief of the Hampton police force has announced that Betty Edwards has caught the man that has been following her for the last five years. Choose from the following list the one you think is guilty:

## 1. Billy Knight

Charles Lockwood and Audrey Johnson were awarded the first prize as the best dancers at Buckroe Beach last night.

Miss Margaret Tennis, former "Queen of the U. S. O." has just embarked upon a nursing career. She finds that nursing the veterans of the great war reminds her of the "old days." Some of her fellow nurses are Miss Ella Mae Morgan, Miss Martha Robins and Miss Doris Moore.

Mr. Henry Reid and Mr. Barry Ottenstein, after working several years at the N. A. C. A., have invented a new type of slide rule. Other details will be issued later.

Two telephone operators, Misses Evelyn Williams and Betty Jo Phillips, have been promoted to supervisors. Both young ladies say they've relieved not to have to spend their time getting Angeline Matthews on the wire for John Howard.

The newly elected officers of the Hampton S. C. A. (Street Cleaners Association) are Mr. William Willoughby, president; William Mitchell, vice-president; and Mr. Bill Phillips, secretary-treasurer. Two members of the organization, Mr. Carl Roberts and Miss Nellie O'Keefe, were recently expelled for throwing banana peelings on the street.

Several members of the W. B. D. O. (Women's Bus Drivers Organization) were seriously injured when three busses collided at the corners of Watkins and Portwood streets. As a result of this accident due to an unknown cause, several people were rushed to the nearby Miriam Meyer Memorial Hospital. Among the injured were Magdalene Moore, Judith Nevias, Christine Olson, and Juanita Perviance. The three reckless drivers, Miss Sadie Peters, Miss Jackie Poteat and Miss Ruby Redden only prove the point that "Women drivers are no good!"

## NEWPORT NEWS, VIRGINIA

Two famous women doctors at Buxton Hospital announced today that they have perfected an operation which will completely cure insanity. Drs. Betty Lee Williams and Dot Newell will operate before the whole hospital board tomorrow on their first victim.

## PIEVILLE, KANSAS

The Annual pie-making contest was held last week at the city hall. Miss Ruby Ketchie took top honors. Other successful pie makers were Misses Jean Lawrence, Ann Lewelling, Janice Hayes and Phyllis Anderson. When asked why she made pies, Miss Jane Curtis replied, "The way to a man's heart is through his stomach."

J. C. Robinson, the crooner that made famous the song "Sam, You Made the Pants Too Long", is resting peacefully at the Harris Hospital at Cooney Island, after a brief illness.

Miss Frances Ray, editor of the "Broken Hearts" column in the Daily Mirror, for the first time in her career seems to be having trouble with her correspondents. She has recently received letters from Fannie Muir, Mary Roberts and Doris Wheeler. It appears that these three are disappointed in love and don't know what to do about it—Does anybody?

## DOODLE VILLAGE, NEW YORK

Carroll Hunt, a local barber, while shaving Woodrow Bauer, a multimillionaire customer, cut the young man's throat and injured him severely. Dr. Tom Bartron was called to administer to the wounded man.

Miss Esther Weber, famous author has just published her latest book, "Live and Let Live". In it she clearly portrays the life of a small town boy who made good—namely Raymond Pennington.

The great songwriter, Marvin Sachs, has finally achieved success. His latest song "Who Threw the Overalls in Betty Murphy's Chowder" has just created a sensation on Broadway.

What wouldn't create a sensation with that gorgeous little number, Miss Ann Mountcastle, singing it?

Lattie Tappen, the jitterbug king, has just found a new partner—Miss Beth Phelps. They are starred in Bruce Wagner's new Hollywood production of "Take it Easy." Also starring in the picture are Martha Nelson and Louise Vann.

Dudley Violette and Robert Perfater, the most talked of playboys of the day, have just crashed the headlines in one of New York's leading papers. Perfater's wife, the former debutante, Miss Anne Page Violette, has left him on grounds of desertion and cruelty. Could this be the kind and devoted Perfater of the graduating class of '44?

Violette is having trouble with his smoking. He used to say "I'd walk a mile for a Camel." Now he has changed it to "I'd walk a mile for a Phillip". . . . It couldn't be Morris.

While having her hair fixed in Thurman's Beauty Salon yesterday, Miss Betty Willis, famous clothes designer, had a slight accident. Thinking she smelled smoke, she discovered that it was her hair burning. But one can always buy a wig, can't one?

## Class Poem

When we first came to Hampton,  
We had many a doubt,  
Just being little Freshmen,  
Wondering what it was all about.

Our Sophomore year was suddenly reached,  
We began to feel more at ease,  
We didn't mind obeying the rules,  
Aiming high, our teachers to please.

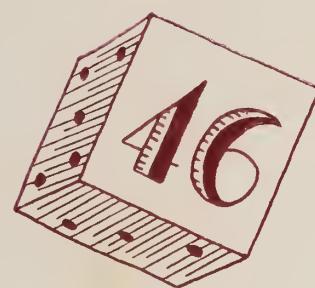

Three steps forward, nearer our goal,  
Proud were we when our Junior year came,  
Our hopes and our dreams soon to come true,  
Our names perhaps, in the Halls of Fame.

At last, we are Seniors, our heads held high,  
Marching as one, down the aisle, side by side,  
We receive our diplomas, our coveted award,  
May good fortune and happiness follow in our stride.

Now we are Graduates, our hearts filled with joy,  
Onward we shall go, our ambitions to attain,  
Happy to face, a new world that will be free,  
Farewell, dear Hampton, and all our friends who remain.

—CAROL BUXTBAUM, Class Poet '44.

The Audiographic Staff was organized in the fall of 1959 and since that time this group has been active in providing for the school a staff of trained operators for the motion picture equipment, for visual aids, and for amplifying equipment used in connection with the school's program. Members of the Audiographic Staff are selected from the Industrial Electricity course.

The Audiographic Staff is scheduled to meet each week for discussion of some of the types of equipment used. Discussion at the weekly forum is designed to qualify the staff's members to set up, operate, and care for the school's light projecting and sound amplifying equipment in a way that will assure its most satisfactory operation.

During this year, members of the Audiographic Staff have provided services which have made possible the use of sound motion pictures for many outside groups, including the Health Department, Office of Civilian Defense, Parents-Teachers Associations, Boy Scouts, and church groups. This has been done in addition to providing all of the necessary services for Hampton High School and for certain other units in the school system which are not equipped to project motion pictures.

Sound amplifying equipment has also been provided for all necessary school activities and the Audiographic Staff, during its life-time, has been responsible for the design, installation, operation and maintenance of the sound system used in Darling Memorial Park in connection with school athletics and other activities.

## Garrick Dramatics Club

The Garrick Dramatics Club of Hampton High School was founded April 15, 1932, by R. E. T. Lewis, Mrs. Kathryn Pace Cameron, and Mrs. Margaret Patrick Wood.

The club derived its name from David Garrick, a well known English actor of the Eighteenth Century.

The requirements for membership are interest in dramatics, satisfactory scholarship, and participation in school activities. Through the support of the faculty and the student body, the Garrick Dramatics Club has produced many successful plays, such as: "The Whole Towns Talking", "Highness", "As You Like It", "The Valiant", "Pierrot—His Play", "She Stoops To Conquer", "El Cristo" "Spooks", "Remember the Day" "Leave It To Smith", "Try It With Alice", "Night of January 16th", "The Brat", "Footloose", "Bridal Chorus", "The Bat", "Swing Fever" "Spring Fever", "Tiger House", "The Mummy and the Mumps", "Early To Bed, Early To Rise".

Due to the war situation, the club presented only one production in the season of 1943 and 1944. The production was "The Late Christopher Bean", a comedy in three acts, by Sidney Howard.

The dramatic director for this play was Mrs. E. O. Pearson; the stage manager was Mr. Luther Machen; and the business manager, Miss Elizabeth Boynton.

In the cast were: Garland Rollins, Catherine Nealon, Margaret Reuter, Jean Anderson, Betty Lee Williams, Lillian Hedgepeth, Jean Freeman, Billy Robertson, John Churchill, Billy Hopkins, Eileen Cain, Fred Luke, Bob Logan, and Henry Reid.

Helen Hughes acted as Student Director and Elise Thurman as Student Business Manager.

The Sales Manager, Margaret Mixon, had as her assistants: Elsie Love Bentley, Sally Lou Giffin, Jean West, Lila Swindell, Beverley Gunn, Mildred Waters, Jerry Marple, Donald Ross, Eva Carpenter, and Richard Bagley. The Publicity Manager was Cynthia Patrick, and her assistants were: Rita Willock, Jean Mims, Barbara Burris, Jane Smith, Harry Barton, and Patricia Caffee.

The following served on the stage: Manager, Wesley Machen; Electrician, Robert Cumming; Carpenter, Robert Loving; Engineer, Robert Knight; Manager of Properties, Harriet Hinman; assistants, Charlotte Newell, J. C. Robinson, Beth Phelps, Johanna Williams; make-up, Emma Mason Sparrow; assistants, Ruth Anderson, Shirley Sue Smith; Mistress of Wardrobe was Mary Jane Edgar; assistants, Betty Ferguson, Mary Virginia Peake, Louise Vann, and John Dute.

Irene Creasy served as typist for the play.

The art staff consisted of Mary Roberts and Jean Lawrence.

The House Manager was Buddy Sherman, and the ushers were Richard Bagley, Tom Bartron, Alvin Dews, Bill Grimsley, and Gordon Diggs.

### ALMA MATER

Here's to Hampton High School—Here's to H. H. S.

Here's to our football team. Is it fine? Oh yes, oh yes, oh yes,

Victorious or defeated, we will always fight—

Our Alma Mater and our old red and white.

### *Chorus*

Red and White! Red and White!

We will fight with all our might

As old Hampton goes fighting along.

Blue and Gold! Blue and Gold!

You will never, never hold

As old Hampton goes fighting along.

For it's Ray! Ray! Ray!

Wave your colors gay.

Come on, put pep into your song,

For where 'ere you go

You will always know

That old Hampton goes fighting along.

### HAMPTON 12 BENEDICTINE 0

The Crabbers opened their season with a 12-0 victory over the Benedictine Preppers of Richmond. Hampton's first score came as the result of a blocked punt by Gage, who fell on the ball in the end zone. The second score was made on a long pass from Maston to Rollins. The services of Robinson, guard, were lost for the rest of the season due to a fractured elbow received in the last quarter.

### HAMPTON 0 MAURY 19

After playing an offensive first half, the Crabbers lost a 19-0 decision to the Commodores of Maury. Billy Ranier was the star of the game for the winners, while Marshall was considered the best for the losers.

### HAMPTON 6 APPRENTICE 13

In a night game the Crabbers were defeated for the second time to a much heavier and more experienced eleven from the Apprentice school, 13-6. Robinson did all the scoring for the little A's, while Marshall scored the lone Crabber touchdown in the first quarter.

### HAMPTON 6 THOMAS JEFFERSON 26

The State Champions of the '43 season trounced the boys from Hampton, 26-6, in the Capital City. Although being outclassed in the first half, the Easonmen came back to play an even game in the second stanza.

### HAMPTON 18 HOPEWELL 20

The Blue Devils triumphed over the Red and White, 20-18, although they were outplayed by the Crabbers eleven. Both teams crossed the goal three times, but the Blue Devils made their extra points good. Rollins, Knight and Marshall scored the touchdowns for the Crabbers without a single extra point.

### HAMPTON 0 GRANBY 12

After the opening whistle at Forman Field, the Blue Comets started a 55 yard drive for the first 6 points of the game. Later on in the same half, Lucas took the ball through the center for another 6 pointer to make the final score of 12-0. Shaner Carneal played a beautiful defensive game for Hampton.

### HAMPTON 26 WILSON 13

The Crabbers broke their losing streak by downing a much favored Wilson eleven, 26-13. Speedster, Billy Knight, scoring with two touchdowns, led the Crabbers. Maston and Marshall tallied once each. Dewey Maston made two of the extra points by going through the center of the line.

### HAMPTON 26 SOUTH NORFOLK 0

The Crabbers again came through with a victory by overpowering a Class B School from Norfolk 26-0. Little Jimmy Wallace, a substitute, scored twice and Knight and Rollins each scored a six pointer. All reserves saw action and showed plenty of spirit.

### HAMPTON 34 CRADDOCK 12

Craddock, a runner-up for the Class B championship was defeated by the Hampton eleven, 34-12. Knight, Marshall, Maston, Rollins and Hardy scored touchdowns for the Hamptonians. Ernest Garrison, Captain of the Red and White, played an outstanding defensive game. Austin, an end, played good ball for the Admirals.

The Hampton High School Basketball team, captained by Dewey Maston, came through with a fairly successful season. Although they were inexperienced, the team made some upsets throughout the season.

Winning a total of five games and losing ten, the Crabbers split games with Granby and Wilson and won two successive victories over Portsmouth Y. M. C. A.

Although handicapped this season, we expect to have a great season next year, with more men returning to the hardwoods.

# Hello....

I'm  
"Coca-Cola"  
known, too, as  
"Coke"

I speak for "Coca-Cola". I'm a symbol of its life and sparkle. I'm known, too, as "Coke". It's short for "Coca-Cola". I offer you the pause that refreshes. I speak for the real thing...the soft drink with the distinctive quality of delicious refreshment...the drink with the trade-mark "Coca-Cola".

P. S.

Everybody likes to shorten words. You hear "Coke"...the friendly abbreviation for the trade-mark "Coca-Cola" ...on every hand.
